HAYNES LIBRARY

Librarian's Report

The library has been opened 52 Saturdays, afternoon and evening, until the last of October when it was thought best to open only afternoons from 1 till 5 p. m. through the winter months and this has proved very satisfactory to both the librarian and the people.

Whole number of books let out for the year		1,456
Average number drawn each day		28
Number of new books purchased	45	
Donated by a friend	1	
Received from N. A. Mathews, treasurer, for books		$ 8.00

The usual number of books have been sent by Secretary of State. These are kept on the reading table where they can be looked at. Our library is well patronized both summer and winter, more especially in the summer when the summer people are here. The books on a whole are well cared for by those who take them.

Respectfully submitted,

MRS. EVA PHILLIPS,
Librarian.
